NOTICE OF WORKSHOP

The Board of Curry County Commissioners will hold a Workshop on December 9, 2015 at 10:00 a.m. to hear a presentation by Brandt Media on audio/video equipment, discuss County government's organizational structure, and to discuss County fees.

Details on the audio/video presentation are as follows:

Nick Brandt will do the presentation. The package includes a proposal to equip the Curry County Commission meeting room with an audio and video system to power a Charter Cable channel on the county website. This includes an extensive explanation of the **Public Education and Government (PEG) Systems**. This system will allow live streaming of video of commissioner meetings that will be audible to the viewers. Currently in many cases it is difficult to hear those who are speaking. Audio speakers placed throughout the meeting room will allow members of the audience to clearly hear what is being said during the meetings. Members of the public are encouraged to attend this workshop and ask questions and to provide suggestions.

The Workshop will be held in the Hearing Room of the Courthouse Annex, 94235 Moore Street, Gold Beach.
