Adoption/minutes: 10.04.2016

Agenda:

Upcoming County meetings related to land use and CIC engagement in getting the word out to the public.

Director and Commissioner Comments

Adjournment: no later than 3:00 PM

CITIZENS INVOLVEMENT COMMITTEE

Minutes of Meeting October 4, 2016

The Citizens Involvement Committee held its second meeting pursuant to Board of Commissioners Resolution and Order No. 20315 on October 4, 2016 in the Blue Room on the lower level of the Annex Building on Moore Street, Gold Beach.

In attendance were all three members, Kevin McHugh, John Bischoff and Carl King, and Planning Director Carolyn Johnson. The meeting commenced at 2:00 p.m.

Mr. King reported the results of his on-line research regarding, and the Committee and Director Johnson then discussed, the use of on-site and off-site signage to notify the public of proposed pending land use applications.

That discussion leads to a review and discussion of the use of pre-application community meetings to achieve both that goal and to provide opportunities for the applicant to address community questions and concerns about the proposed land use.

The Committee agreed in principle with requiring project applicants to hold a pre-application Community Meeting.

The Committee endorsed an additional pre-application requirement that applicant's post a notice on the affected property to identify the project area prior-to the Community Meeting and to remain posted until project work begins.

The next meeting is set for January 31, 2017 at 2:00 p.m. in the Blue Room.

Mr. McHugh adjourned the meeting at 3:08 p.m.
