Corrections to Oregon Solutions Report

The following corrections to pages 8 and 9 of the Oregon Solutions Report were submitted as enumerated below:

1. The council created by HB 2920 was named the “Task Force on Effective and Cost Efficient Service Provision”, not the “Government Service Planning Taskforce”.
2. It was not HB 2475 (2011) that created the criminal justice review mechanism – that bill died in committee. SB 77 (2009) created these statutes. <http://www.leg.state.or.us/09reg/measpdf/sb0001.dir/sb0077.en.pdf>. HB 2475 was going to amend ORS 203.095 and 203.100 to add the items listed in the middle of page 9.
