FOR IMMEDIATE RELEASE:

As of noon today 07/27/2020, Curry County Public Health has received notification from Curry General Hospital of one new case of COVID-19, bringing the county's total number of verified positive cases to 14, with 9 recovered cases, 5 verified active cases, zero hospitalizations and zero deaths.

Curry County Public Health is investigating all active cases to identify contacts and exposures and to have individuals self-isolate and monitor for symptoms. Public Health will continue to reach out to anyone suspected of exposure to this case.

Please remember, it is important that we all follow the OHA and CDC guidelines and Governor's directives about social distancing, wearing facial coverings in public buildings and protecting yourselves by staying home to slow the spread and save lives.

Curry County Public Health will continue to keep the public informed with all the Covid-19 information.
